Cities at a Loss

12.5%

Avg Profit Margin

Page 01

Sales Performance Overview

- Total sales reach **\$2.3M** but the profit margin sits at only **12.5%**.
- The **Consumer** segment drives **47%** of profits.
- The **West** region leads in profit share (**38%**).
- **Copiers** rank first in profit (**\$56K**) despite not being top-selling.
- Sales peak in **November and December**.

Recommendation: **Investigate Furniture yields vs sales volume.**

Page 02

Product Performance

- **Technology** accounts for **51%** of total profit.
- **Furniture** contributes only **6%** of profits.
- Technology accounts for **49%** of all product returns.

Recommendation: **Audit discount structures in Furniture subcategories.**

Page 03

Delegate & Shipping Analysis

- **Standard Class** generates the highest profit at **\$164K**.
- **Same Day** shipping yields the lowest profit at **\$16K**.
- **92%** of high-value orders are never returned.
- **Anna Andreadi** leads the team in profit (**\$108K**).

Recommendation: **Set Standard Class as the default shipping option.**

Page 04

Customer Analysis

- **Standard Class** is preferred across all customer segments.
